RE: Docket # 03-00544 – Petition to amend Certificate of Convenience
and Necessity - Paris Landing Area - Addition of information which
has become available since the initial petition filing

Dear Mr. Novak:

Attached please find letters from the Northeast Henry County Utility District and the
Mayor of Henry County in support of our servicing the above-referenced area which
replaces the two previous letters.

If you have any questions, please give me a call.

Sincerely,

Patsy McElroy
Office Manager

Mr. Charles Pickney
On-Site Systems, Inc.
7638 River road Pike
Nashville, Tennessee 37209

Dear Mr. Pickney:

The purpose of this letter is to inform you that Henry County has no present plans to offer sewer service to any area outside the present corporate limits of our municipalities.

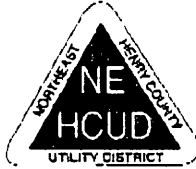

I have also included a letter from Northeast Henry County Public Utility District indicating that they have no present plans to provide such service. Henry County would certainly welcome your company's efforts to provide sewer service to the people in the lake area on a voluntary basis.

Sincerely,

Brent Greer
Henry County Mayor

October 31, 2003

County Mayor Brent Greer
Court House
Paris, Tn. 38242

Dear Brent,

At the present time Northeast Henry County Utility District does not entertain any plans to be involved with installing a sewer system in our area in the near future.

The District is not surrendering their rights to install a sewer system in the future.

Northeast Henry County Utility District understands that some business's and subdivisions need a sewer system in the area to continue progress. The District does not wish to stand in the way of progress and growth in our area. Therefore we would not want to prevent any company from installing a sewer system in the lake area.

Sincerely,

Paul Mathenia
NEHCUD
Chairman of Board
